

2011 Rules for Entry

1. You are encouraged to enter the category that best reflects your core business. If entering more than one category, then a separate and complete entry must be submitted electronically for each category. Entrants may only enter **one** submission in any one of the following group of categories:

- Attractions – either category 1 or 2;
- Festivals and Events – either category 3 or 4;
- Tour and/or Transport Operators – either category 11 or 12;
- Accommodation – either category 17,18,19,20,21

2. Achievements or activities referred to within your entry must relate to the **qualifying period 1 July 2010 – 30 June 2011**. Entrants must have traded for the **entire** qualifying period. Exceptions apply to seasonal facilities and the following categories:

- 3 – Major Festivals and Events
- 4 – Festivals and Events
- 21 - New Tourism Development

where the activity being put forward for consideration must have occurred within the qualifying period.

3. Each category has specific entry requirements, which are articulated within the category descriptor. Eligibility must be clearly demonstrated as part of your response to Question 1a. Failure to demonstrate your eligibility will result in your submission being penalised.

4. All questions must be answered under the headings provided. Unanswered questions will attract zero points. If you feel that you cannot answer a question please discuss this with your Tourism Awards Coordinator. If you still feel the question is not relevant please explain your reasons within your submission.

5. Entrants must be based or operate in North Queensland (Townsville, Magnetic Island, Burdekin, Hinchinbrook, Charters Towers). An exception to this rule exists where there is a genuine community of interest allowing an entrant to choose to nominate in another state/territory's Awards program. To qualify for this exception the entrant must be able to demonstrate proof of membership in a relevant association OR provide a letter from that state/territories tourism office confirming the entrant's participation in marketing campaigns or activities. Should a company have individual operational branches or properties in other states/territories they may enter the

individual state/territory awards as long as the majority of the submission focuses on the activities undertaken in that state/territory.

6. An entrant, such as a chain or franchise that has multiple products, must enter each product individually if they want each property to be able to promote the achievement of winning a tourism award. Alternatively the business may enter but the logo may only be used by the corporate entity, not the individual products.

7. An entry cannot be moved into another category following the closing date for lodgement of submissions.

8. If at any time following submission of an entry the business being put forward goes into administration, voluntary receivership, liquidation or bankruptcy, the entrant is required to advise the Award Coordinator and accepts that the submission will no longer be eligible for an award.

9. There is no direct entry into the Queensland Tourism Awards or Australian Tourism Awards. You will need to nominate and prepare submissions for both separately. There is no correlation with NQTA and QTA.

10. The submission must be formatted as follows:

Page Size: A4 (297 x 210 mm)

Margins: Top, Bottom, Left and Right Margins must be a minimum of 2cm.

Font: All font (questions, answers, tables) must be no smaller than 12 point Times New Roman or Arial. No variation such as narrow or condensed font styles is acceptable. However, photo captions may use a smaller font size down to a minimum of 8 point.
